

Emerging Chicago Powerhouse cluster, two FM music stations, and one spoken word station.

Merlin Media is looking for the ultimate Cluster Sales Leader. A special individual who can lead men and women into a modern media battle, as we take the market by air (WLUP), by land (WIQI), and by sea (WKQX). We're looking for the contemporary hunter/gatherer/leader, someone who thrives in an environment of opportunity, challenge, and is always looking for more. To you, satisfaction isn't making budget or beating the market, it's annihilating it, and running up the score. Doing business "as unusual" is how we, at Merlin Media, get there. We want passionate believers in the power of spoken word and foreground music formats who can do two very distinctly different things...Lead and manage. If asking those around you to do more, leading by example, taking a talented team to the next level, leveraging multiple assets for incremental gains, working with the best and overturning every rock in the search of the next big deal is intimidating to you... then please, for goodness sakes, do not reply to this ad. But if you have undeniable spirit, massive swagger, total self-confidence, and a relentless work ethic, it would be our honor to meet you.
